

The Solution

The Bible says...

“God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.” (Romans 5:8)

Jesus (the perfect Son of God) willingly suffered and died on a cross to take the punishment we deserve on Himself (we broke God’s law and Jesus paid our fine). God then raised Him from the dead three days later and now offers forgiveness (a perfect record) and new life to everyone.

However, this is not automatic, like any gift, we must receive it.

The Gift

If you have not received this gift then talk to God today...admit that you have offended Him by your attitudes and actions, turn away from those things that offend Him, commit yourself fully to Jesus and ask Him to forgive you, enter your life by His Spirit and help you become the person He wants you to be. Receiving forgiveness is the first step, for more information go to:

**3 Reasons to Believe in
the Existence of God...**

1. Common Sense

No one who looks at a building or a painting ever thinks that either of them happened by accident. Common sense says that something as complex as a building or a painting must be created. How much more obvious is this truth when we look at human beings, the earth, the universe?! To say all of this happened without design, thought or planning is illogical. The universe and everything in it is evidence that a Creator exists.

2. Sent Messengers

For thousands of years God has spoken directly to people and the messages have been recorded for us in the Bible. The clearest and most important of all these messengers is Jesus Christ who not only claimed to speak for God but claimed to be God in the flesh. He backed this claim up by performing incredible miracles and healing. He was also seen by over 500 people alive after his death on a cross 3 days earlier. Jesus life is evidence that God exists.

3. Changed Lives...

The third reason to believe in God is the countless people who have had their lives positively changed by a personal encounter with God through Jesus. These people have all experienced forgiveness and new life. This is what God wants.

All of us were created by a loving God to know Him, live for Him in this life and enjoy being with Him in heaven forever. However, there is a problem. We have all acted in ways that offend Him (lied? stolen? hated?...).

Changed lives...cont

These offences against God and others are serious as God is not only loving but holy (perfect) and just. Like any good judge He cannot overlook or leave our offences unpunished.

The truth is, none of us deserve to experience the abundant spiritual life God offers to us now or go to heaven when we die. We in fact deserve hell and need help!

Fortunately, God has done something incredible for us.
