

## The Solution

The Bible says...

*“God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.” (Romans 5:8)*

Jesus (the perfect Son of God) willingly suffered and died on a cross to take the punishment we deserve on Himself (we broke God’s law and Jesus paid our fine). God then raised Him from the dead three days later and now offers forgiveness (a perfect record) and new life to everyone.

However, this is not automatic, like any gift, we must receive it.

## The Gift

If you have not received this gift then talk to God today...admit that you have offended Him by your attitudes and actions, turn away from those things that offend Him, commit yourself fully to Jesus and ask Him to forgive you, enter your life by His Spirit and help you become the person He wants you to be. Receiving forgiveness is the first step, for more information go to:

**3 Reasons to Believe  
the Bible is True...**

### 1. It is Historically Accurate

The Bible is full of very specific names, dates, places and events. All of these have been tested against other historical documents and compared to the writings of historians of the time and found to be accurate.

Archeological finds also confirm that the Bible is in fact one of the most historically accurate books of all time.

To find out more go to:  
[www.questionsoflife.com](http://www.questionsoflife.com)

### 2. Predictions Fulfilled

The Bible is the only book in history that accurately foretells the future. Literally hundreds of predictions the Bible has made have already come true. This includes the birth, life, death and resurrection of Jesus Christ. The predictions made about Jesus alone are extraordinary. The way he would die was predicted by the Bible despite crucifixion not even being invented at the time of the prediction!

### 3. It Changes Lives...

Not only is the Bible historically accurate with many fulfilled predictions. It also has positively changed countless lives. It offers those who follow it's teachings forgiveness and new life.

It teaches that we were all created by a loving God to know Him, live for Him in this life and enjoy being with Him in heaven for ever.

However, there is a problem. We have all acted in ways that offend God (lied? stolen? hated?...).

### Changed lives...cont

These offences against God and others are serious as God is not only loving but holy (perfect) and just. Like any good judge He cannot overlook or leave our offences unpunished.

The truth is, none of us deserve to experience the abundant spiritual life God offers to us now or go to heaven when we die. We in fact deserve hell and need help!

Fortunately, God has done something incredible for us.
