## THE RESPONSE

If you want to cross over to the right side you need to count the cost first. Jesus said: *"But don't begin until you count the cost..."* (Luke 14:28). He made it clear that we are to submit to Him and be willing to face tough times just like He did. However, as a Christian, God enters your life by the Holy Spirit and teaches, encourages, strengthens and helps you even in times of failure. As you surrender control of your life to Him He will give you new desires and the power to change...this is a life long process.

*Dear God,*

*I confess that I have rebelled (sinned) against You many times and am truly sorry. I now turn away from those things that offend You and ask for Your forgiveness. Thank You for sending Your Son Jesus to take the consequences of my sin (past, present and future) on Himself. Please enter my life by Your Spirit and help me be the person You want me to be, Amen.*

Please take this opportunity to respond to God while you still have the chance. Life is very short and you do not know when your time is up.
