

? How do you get to Heaven?

Many people believe that if they try to live a 'good' life they will find heaven waiting for them after death. Sadly, this is not the case. The Bible is clear that there is no one who is good enough to enter heaven. We all fall well short of the standard (perfection). The only way to get into heaven is to receive forgiveness and a perfect record from Jesus Christ. His death on the cross and resurrection has made a way for all of us to enter heaven but it's not automatic. Each of us must turn away from what we know is wrong and surrender our lives to Him.

Most people today, unfortunately, have not read any of these books. In fact, few have even read the Bible itself! Thus, many people tend to go along with the popular delusion that the Bible is full of mistakes and is no longer relevant to our modern world.'⁴
